Amphenol Broadband Solutions
Jumpers

Broadband Components Solutions...

Times Fiber Amphenol has been a long-time leading supplier of reliable, high quality broadband jumpers for service providers and OEMs worldwide. Our factories are ISO 9001 certified and use the latest in technology to provide the best quality, cost-effective solutions in the industry.

Our two factories in China and Mexico have high-volume capabilities that can meet the most demanding schedules and are yet nimble enough to produce highly detailed solutions for the most discriminent buyer. That is why TFC jumpers are found in almost every home in the United States.

Choose TFC for all your important jumper installations, and don't let low-quality jumpers create truck-rolls or poor customer experience.

Benefits

- World-Class Workmanship
- Guaranteed Performance
- Highest Quality Materials
- Special custom packagin options available

Amphenol Broadband Components

Jumpers found in Self Install Kits

Part Numbers	Part Number Description
T6V77-QC2T-WP**	One 3ft RG6 jumper with QC connector (incl. torque nut), One 20ft RG6 jumper with QC connector (incl. torque nut), One 2-way Coax Splitter, Ten plastic cable clips
DTA-KIT-COM-0**	Two 5ft RG6 jumper with QC connector (incl. torque nut),One 6ft HDMI high-speed jumper Two 1"x1" velco fastener patches
CHE-KIT-0**	Two 5ft RG6 jumper with QC connector (incl. torque nut), One 6ft HDMI high-speed jumper One 3ft Cat 5e Ethernet jumper, Two 1"x1" velco fastener patches

Times Fiber is at the center of Innovation...

Amphenol®
TFC

Times Fiber Communications (TFC), a division of Global Interconnect Leader Amphenol, is a recognized worldwide leader in cable technology and has to its credit a long list of technical expertise in foam polymer processing, application-specific product development, and unsurpassed, world-class customer service and support. TFC offers numerous customer solutions and prides itself on taking a concept from design to delivery.

Part Numbers	Part Number Description
RG6 Coax Jumpers (Trishield 77% coverage), with F male compression plugs - CATV	
T6V77-QC2QS-I6.0	6" length, RG6, black, No Torque Nut
T6V77-QC2TQS-I6.0	6" length, RG6, black, with Torque Nut
T6V77-QC2QS-I6.0-W	6" length, RG6, white, No Torque Nut
T6V77-QC2TQS-I6.0-W	6" length, RG6, white, with Torque Nut
T6V77-QC2QS-I8.0	8" length, RG6, black, No Torque Nut
T6V77-QC2QS-I8.0	8" length, RG6, black, No Torque Nut
T6V77-QC2TQS-I8.0	8" length, RG6, black, with Torque Nut
T6V77-QC2QS-I8.0-W	8" length, RG6, white, No Torque Nut
T6V77-QC2TQS-I8.0-W	8" length, RG6, white, with Torque Nut
T6V77-QC2QS-001	12" length, RG6, black, No Torque Nut
T6V77-QC2TQS-001	12" length, RG6, black, with Torque Nut
T6V77-QC2QS-001-W	12" length, RG6, white, No Torque Nut
T6V77-QC2TQS-001-W	12" length, RG6, white, with Torque Nut
T6V77-QC2QS-I14	14" length, RG6, black, No Torque Nut
T6V77-QC2TQS-I14	14" length, RG6, black, with Torque Nut
T6V77-QC2QS-I14-W	14" length, RG6, white, No Torque Nut
T6V77-QC2TQS-I14-W	14" length, RG6, white, with Torque Nut
T6V77-QC2QS-003	3' length, RG6, black, No Torque Nut
T6V77-QC2TQS-003	3' length, RG6, black, with Torque Nut
T6V77-QC2QS-003-W	3' length, RG6, white, No Torque Nut
T6V77-QC2TQS-003-W	3' length, RG6, white, with Torque Nut
T6V77-QC2QS-004	4' length, RG6, black, No Torque Nut
T6V77-QC2TQS-004	4' length, RG6, black, with Torque Nut
T6V77-QC2QS-004-W	4' length, RG6, white, No Torque Nut
T6V77-QC2TQS-004-W	4' length, RG6, white, with Torque Nut
T6V77-QC2QS-006	6' length, RG6, black, No Torque Nut
T6V77-QC2TQS-006	6' length, RG6, black, with Torque Nut
T6V77-QC2QS-006-W	6' length, RG6, white, No Torque Nut
T6V77-QC2TQS-006-W	6' length, RG6, white, with Torque Nut
T6V77-QC2QS-010	10' length, RG6, black, No Torque Nut
T6V77-QC2TQS-010	10' length, RG6, black, with Torque Nut
T6V77-QC2QS-010-W	10' length, RG6, white, No Torque Nut
T6V77-QC2QS-020	20' length, RG6, black, No Torque Nut
T6V77-QC2TQS-020	20' length, RG6, black, with Torque Nut
T6V77-QC2QS-020-W	20' length, RG6, white, No Torque Nut

Part Numbers	Part Number Description
RG6 Coax Jumpers (Dual shield 60% coverage), with F male compression plugs - Satelite TV	
S6V60-QC2T-003	3' length, RG6, black, with Torque Nut
S6V60-QC2T-006	6' length, RG6, black, with Torque Nut
HDMI Cables (1.3v)	
HDMIM-HD-MIM-006TS	6' length, multi, black
HDMIM-HD-MIM-012TS	12' length, multi, black
HDMIM-HD-MIM-015TS	15' length, multi, black
HDMIM-HD-MIM-020TS	20' length, multi, black
Audio/Video (RCA Plug)	
RCA-3V2A-006W-3	6' length, 5-wire, white
RCA-3V2A-012W-3	12' length, 5-wire, white
RCA-3V-006W-3	6' length, 3-wire, white
RCA-3V-012W-3	12' length, 3-wire, white
Ethernet	
CAT5E-RJ45-005G-3	5' length, Cat 5e, gray
CAT5E-RJ45-015G-3	15' length, Cat 5e, gray
CAT5E-RJ45-025G-3	25' length, Cat 5e, gray
